8 UNITED STATES OF AMERICA,

No. CR 03-0010 SI

9 Plaintiff,

**ORDER DENYING MOTION FOR  
EARLY TERMINATION OF  
SUPERVISION**

10 v.

11 RICHARD GLANDERS,

12 Defendant.  
13 \_\_\_\_\_/

14 Defendant Richard Glanders' motion for early termination of supervision is denied. The Court  
15 finds that an insufficient portion of the term of supervised release has been completed (34 months of a  
16 60 moth term), in light of the seriousness of the underlying activities and defendant's prior criminal  
17 history. However, this denial is without prejudice to renewal at a later date, should defendant continue  
18 with his successful conduct and compliance with the terms of his supervised release.
